Addition	Long-Term Services and Supports Comprehensive Care Plan and Update	NCQA	NA	Case management record review
Addition: Measure will not be reviewed because it has not been fully specified	State Use of Experience of Care Surveys for Beneficiaries Using Long-Term Services and Supports	CMS	NA	CMS count of surveys administered

Notes: Data collection methods are current as of February 2021. The methods may change as measures undergo specification updates and maintenance. Measures specified for administrative data collection may use code sets that are not available for state-level reporting, such as LOINC, SNOMED, or CPT-II codes. More information is available in the measure specifications.

<sup>a</sup> ECDS data collection method includes data from administrative claims, electronic health records, case management systems, and health information exchanges/clinical registries. More information about ECDS is available at <https://www.ncqa.org/hedis/the-future-of-hedis/hedis-electronic-clinical-data-system-ecds-reporting/>.

<sup>b</sup> Endorsement was received for a previous version of the measure. The most recent version has not yet been endorsed.

<sup>c</sup> Measure is no longer endorsed.

<sup>d</sup> This measure has three rates: dental services, oral health services, and a combined rate. Only the dental services rate is endorsed.
